👁 28 ✓ 1 ⭐ 2

## Chapter 1 by Ope Lle (yt)\*JK\*

One day there was a puddle that was not happy with himself and said "I wish I was different." But he wasn't so he did nothing and started evaporating. Then a young person about the age of two or three and started putting sand in Sticky and it hurt. He tried to say "STOP THAT HURTS!" But since he was a puddle he couldn't talk so the toddler just kept on adding sand.

## Chapter 2 by Andrew Hartmann

Then the toddler tripped and fell over and drowned in Sticky. Sticky was happy that the pain was over, but now he was made of mud! The next time a person walked on top of Sticky, he was too sticky and got stuck in Sticky. The man just could not get out no matter how hard he tried. Eventually, the man died of dehydration and starvation and from being in the sun too long. Sticky then realized that he was very good at killing and started to form a body out of the mud and then he could walk around. Time to start a killing spree.
